	Y3	United Kingdom (My Place in the World)	Coasts (Seaside Rocks)	Swimming in plastic
KS1	Y2	Planet Earth	Handa's African Adventures	-
	Y1	Ice Explorers	Paddington Visits England	-

Geography

Each Geography unit includes the following:

- A teaching slides template
- Learn it! Link it!
- Curriculum rationale (planning tool and overview)
- A unit assessment

The slides follow an agreed structure:

- Slide 1: The purpose of this slide is to highlight the session being taught on the tracking bar so that pupils can see how it fits in with the bigger picture of the unit content.
- Slide 2: This slide will pose questions, as a recap of prior learning. These should be a mixture of factual recall as well as metacognitive thinking.
- Slide 3: Reveals the big question of the session and is used to focus and engage learners.
- Slide 4: Details what progress of the learner through the session may look like, in terms of knowledge and understanding of content. How does the learning link to curriculum objectives specifically?
- Slide 5 to (approx. 10): Teaching slides, including useful visual content and prompts to support teacher delivery.

HISTORY

History Curriculum Design		Core Units		Extra units to accommodate mixed classes
		Curriculum Theme 1	Curriculum Theme 2	Additional Curriculum Theme
Upper KS2	Y6	Conflict through time	Science and technology through time	Beliefs through time
	Y5	Local Study of Anglo Saxon and Viking Britain <i>(Taught in Y6 also 2020-21)</i>	Early Islamic Civilisation <i>(Taught in Y6 also 2020-21)</i>	Industry in the North East
