

## Tapestry 27.04.2020

This week I want everyone to get creative, you can see the video on tapestry!

Here are some ideas on how to be creative:

- Paint a picture
- Make a collage
- Do some transient art in the garden
- Use a paint brush and some water and paint on the pavement
- Do a dance to your favourite song

Please post your lovely work on Tapestry!

**Maths challenge:** How many sticks can you find on a walk with your family? Can you find 7 stones or 3 leaves?

Don't forget that you can access bug club to do some reading activities every day, if you need help logging on just get in touch with school and we can help!
