6th April 2022

Dear Parent/Carer,

On Wednesday 27th April a photographer will be in school to take photographs of all children.

Individual photographs of all children will be taken during the day, together with group photographs of brothers and sisters within the school.

If you would like a family photograph taken including any family children who do not attend our school, please bring all children to the infant hall for 8.30 am on Wednesday 27th April.

At a later date you will receive a proof of your child's/children's photograph, giving you the opportunity to order photographs online.

Thank you for your continued support.

Yours faithfully,

Mrs M Graham

Acting Executive Headteacher
