

EYFS Newsletter

We have had a fun packed half term in Early Years, reading the story of Handa's Surprise and trying different fruits! We have enjoyed learning about different countries and what they are like. We have been looking at transport and how we can travel to and from school.

Next term we are going to be learning about holidays and the sea side, we will be going on an educational visit during this half term to support our learning.

We are looking for items of interest in Early Years if you could donate any please bring them in:

- Whisks
- Muffin tins
- Baking trays
- Spatulas
- Wooden spoons
- Pans
- Telephones
- Scales
- Metal objects—plates, bowls, jugs

All the children have loved bird watching this year in Early Years, we have enjoyed making binoculars and looking at the different types of birds in our outdoor areas.

Send us photos on tapestry and dojo if you do nay bird watching with your children at home. Some of the discussion points you could have are about what the birds sound like, what the birds look like and how many different species of birds they children can see.

We have enjoyed a visit from the firefighters this term learning about all the important jobs that they do. If you do not have a working fire alarm please email me on swhite@ourladyrosary.org.uk with your name and child's name and class. The fire brigade will get in touch with you regarding coming and fitting some for you.

Reminders:

- The weather is getting warmer so please ensure that you put sun cream on your child before school and a sun hat if needed.
- We are a no nut school and a healthy school so please make sure if your child is on packed lunches they are well balanced
- In reception it is important to keep up with reading, please ensure you return your child's book bag everyday and make a comment in it when you read with them.
- Reception now have PE on a Tuesday so they need to be in trainers and school PE kit.
