

A HUGE WELL DONE!

We want to begin with a huge well done to Year 6; this half term has been full of revision and hard work. You have all shown huge amounts of determination and resilience with whatever challenges you have been faced and the work you have produced has been of an excellent standard.

Your effort over the course of this week, SATs week, is commendable and we are very excited to celebrate your success with you when we receive your SATs results in July. We are very proud of you all!

To the parents of Year 6, thank you for your continued support this half term. We appreciate you have played a part in supporting your children with revision and the completion of weekly homework - this has not gone unnoticed and is very much appreciated!

PE KIT REMINDER

Please ensure children come into school wearing the correct kit:

- Black/navy shorts, jogging trousers or leggings
- White polo shirt or plain white T-shirt
- School jumper
- Black trainers

TRANSITION

During the remaining weeks of Year 6, there will be a large focus on transition to secondary school. This is a significant period of change for our Year 6 children and we aim to support them in understanding how best to manage feelings of uncertainty through our PSHE lessons and in specified transition times with local feeder schools.

Starting Secondary School

As you know, secondary schools are already preparing dates for transition days and parents' evenings, etc. Please keep a look out for further information from your child's secondary school, as these experiences are an invaluable opportunity for you and your child to learn more about the setting they're going to attend for the next 5 invaluable years of their lives.

DUKESHOUSE WOOD

27th-29th June 2022

Please look out for further information regarding the trip, including the date of a parent information evening.

ATTENDANCE

Our class attendance for this half term sits at 98.5%! WELL DONE!

We ask that parents and carers do not arrange for medical and dental appointments in school time wherever possible. When this is unavoidable, then your child should return to school or come to school first before being collected for the appointment.
