Grandpa and Tary sat, and reminussed about their previous adventures, while be disting to the calm, peaceful ture & on their old-fashioled radio: "Those escaped zoo morkeys were a pain!" Groundy Grandpe said buillook at those beat beatiful orange trees!" apple, green, gross waved, as the wind flew past. "My provide was the fiel incident" Tony exhained "You should've seen apon self!" Suddenly... ZAP! I go se crocotile colared strand of electric

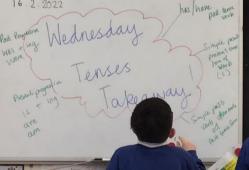

Then the priss bat the bab rse the of the KY DS the babe Wist over thefami and can you do it to to a peraven The priest Say -S

Captor Pierset

The collosed, golden sun burning in the sky slipped behind the smilly, dusty piles of junk with lats of rubbish upon them. In the daylight arross the abandoned city, there was crushed, metal good time hanging from one building to another The wind whistled by the large piles of junk with lats of rubbish upon them. Creakily, WALL-6 wondered around the junk hole looking for scrope of food. The collassed, golden sun burning in the sky slipped
