

Family Friday

Respect and Tolerance of Event

We are inviting families into our school on Friday 3rd February at 9.15am until 10.15am.

You will be able to watch an assembly, led by some of our children from EYFS to Year 6, to hear about the amazing work that we have been doing to develop our understanding of the British Values with a particular focus on the respect and tolerance of religions and cultures.

After the assembly, your children are invited to join you in the hall for a workshop where you can choose an activity that you would like to engage with. These will include Art and Craft style activities. It is a brilliant opportunity to spend time together.

British Values
