

# Nursery Newsletter

## January 2023

*This term we will be....*

We are so excited to be sharing that during the spring term we are going to be learning about animals and moving on to life cycles. We will be hatching some chicks during the term and learning all about them. We are also planning a trip to the farm to see how animals grow and are looked after! We will be looking at butterflies and how they grow from caterpillars and releasing them in our garden!

*Ask us.....*

We enjoyed learning about the Arctic and Antarctic last term, ask us about penguins we have learnt some fun facts!

*"Oh no we didn't, Oh yes we did!"*

We had the pantomime in school and some of us went to watch it. It was Sleeping Beauty, we loved all the singing and dancing it was such good fun!

### Our Nursery

This term we will be reintroducing our Nursery library so look out for a letter telling you all about it that. Previously it has been a big hit with our families!

We have recently adapted our Rainbow Room in Early Years and set it up as a sensory room for our nursery children. This has given us the opportunity to adapt our small group times and give children smaller group sessions exploring language skills, sensory input and enjoying some music sessions. All the children have really enjoyed this!

#### Reminders:

- ◆ Please make sure that your child has spare clothes left on their peg. If they need nappies and wipes please ensure they have plenty.
- ◆ Nursery session times are all day 9am—3am, mornings 8:45am—11:45am and afternoons are 12:30 pm—3:30pm
- ◆ If you have moved or changed phone numbers please ensure the office has your most up to date information
