

Kindness Cafe

Starting this **Friday**, every month we would like to invite children, parents/carers and staff to the kindness café.

Please pop in for a FREE warm cuppa and snacks, to start your day with a friendly chat with others and your child in a warm space.

8:30-9:30am (children will need to go to their classes at nine)

We look forward to seeing you!

This week there will be link workers Jade and John on hand to tell you about their role and how they can help support you and your child.

To find out more-pop along!
