## Helping your Child

I am sure that some children will be anxious/nervous about SATs. We will do all we can to reduce this: practice tests, test technique lessons, etc. We will also carry out relaxing, calming activities in school. You should (and I know you will) continue to:

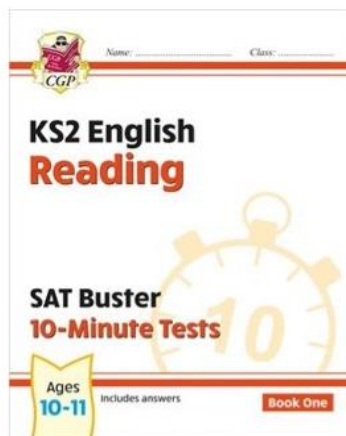

- Ensure your child has the best possible **attendance** at school.
- Make sure your child has a good **sleep**.
- Support your child with any **homework** tasks and please ask for help if needed.
- Praise and encourage to provide reassurance!

### Dukeshouse Wood Residential

Our residential trip to Dukeshouse Wood will take place on Monday 26<sup>th</sup> June to Wednesday 28<sup>th</sup> June.

The office will be in touch to discuss outstanding balances soon.

We will host a meeting nearer the time, where we will discuss the trip in more detail, including medication arrangements, activities, etc.

### Later this Term...

As well as preparing for SATs, there's lots more happening this term! In Geography, we are learning about the continent of North America, focusing on the USA. We will soon be starting our new History topic, *Conflict Through Time*. Mr Bourdiec will be back to help us prepare for our end of year leavers' show. He will reveal all soon!

Leavers' Party: We don't organise the traditional after-school leavers' party. The children have asked about this and I have explained this is organised by parents. I'm sure we'll have some willing volunteers!
