

Year 3

# OLOTR: Miss Lawrence's Class

## Class Newsletter April 2023

### OUR HAPPY CLASS

A reminder that our school website and Class Dojo are great ways to stay in touch and to see updates of our learning journey as a class.

**Let us continue to work together to improve our attendance. As a class team, each week, we have the chance to win £5 for a reward for our class.**

### ARTISTS

In Art and Design, we have thoroughly enjoyed studying Patterns in Nature including studying the Art Nouveau style. This learning journey has included controlling tone, creating tonal ladders, comparing artists and drawing still life flowers.

We were thrilled to participate in a water colour work shop with the local artist Mr Marsh.

Here is a link to the local offer if you need any SEND support:

[Special educational needs and disabilities \(SEND\) and our Local Offer - Durham County Council](#)

### SPANISH

The children are making superb progress with their Spanish understanding. This is something that you could work on more at home to boost their confidence.

Here is a song for the days of the week

### VOLCANOES AND EARTHQUAKES

We have successfully completed our Geography topic on volcanoes and earthquakes. We created a depth in our understanding by looking at case studies including Haiti and Japan.

Quiz your child on how they plan, prepare and predict in these situations.

### KEY DATES AND MESSAGES

Reading books and records should be brought in daily as they could be heard at any point during the week. I am amazed at the progress they have made this year.

PE days are now Tuesday and Wednesday. The children must have their PE kits in every day to be prepared for any timetable changes.

There are a range of after school clubs available this half term. Please let me know if you need any support with this as I am always happy to help.
