

Year 3 Autumn 2

Number sense focus

To know time facts.

This half term your child will become more confident with the vocabulary used when discussing the time. This includes months of the year, days of the week and developing their understanding of hours, minutes and seconds. Below are some examples of the questions and a word bank to support.

Minutes in an hour	Seconds in 1/2 a minute
Hours in a day	Seconds in a minute
Minutes in 1/2 an hour	Minutes in 1/4 of an hour
Minutes in 3/4 of an hour	How many days in a year?
How many months in a year?	How many days in a week?
March is the..... month of the year	November is the..... month of the year
July is the..... month of the year	Tuesday
Friday
.....	Thursday
Sunday	Monday
.....
.....	Wednesday
$7 \times 4 =$ = $24 \div 4$
$0 \times 4 =$ = $48 \div 4$

Time

60 seconds = 1 minute

60 minutes = 1 hour

24 hours = 1 day

7 days = 1 week

365 days = 1 year

52 weeks = 1 year

10 years = 1 decade

100 years = 1 century

1000 years = 1 millennium
