

Year 3 Spring 1

Number Sense Focus

To Multiply and Divide by 3.

This half term your child will become more confident with the 3 times table. In Maths lessons, we use 'lots of' and 'multiplied by'. Also, we use 'shared by' and 'divided by'. We do these quizzes every day to build our confidence. Below are some examples of the questions.

There are five questions on our daily quiz that focus on quick recall of addition and subtraction facts to 20.

The children use a number line and a ruler to support them.

Here is a fun times table song to support their understanding.
