Dear Families,

Next week, we are holding our spring parent/ family consultations and we are looking forward for you to be able to see your child's work. We do understand that telephone consultations suit some people particularly who work so this term we are going to offer both.

Appointment sheets will be available in the Junior Hall/Reception area to allow parent/carers to sign up for an appointment with your child's class teacher and will be available before and after school each day this week. The meetings will last for ten minutes and teachers will share information with you regarding how well your child is doing in school and any ways you can support at home.

The first appointment time available each day will be 1pm and the last appointment will be 5.50 pm.

When making an appointment please indicate on the appointment sheet if you would prefer a face to face conversation or a telephone conversation. If a telephone conversation is booked, then it is likely that the teacher will phone you with NO CALLER ID shown. Please answer the call if this shows.
